Patrick Chung Goes After Rams Executive Who Mocked His Injury

by HOT 96.9

Patrick Chung just got into it with the Rams organization after breaking his arm in the Superbowl. Chung posted screen shots of a text conversation between he and Matt Hogan (apparently an account executive in ticket sales) that started with Hogan calling him a "b**ch"

Check out the conversation below:

Matt Hogan from the @rams organization. This is disrespectful of you. I would never wish or say anything like this to anyone after they just broke their arm. You should be ashamed bro. Can't even believe it. But I pray for happiness and good health for you because a real man.
